

“How Well Do you Listen” Exercise

This is from Slide 17: The handout that we gave out to participants to see how well each participant listened to their partner.

Instructions:

1. You take “Instruction Sheet A” - first drawing assignment (don’t show it to your partner)
2. Without looking at the “Instruction Sheet B”, second drawing assignment on page 2. Give it to your partner.
3. Now decide who will draw first.
4. If you are drawing first, then read all instructions on the page that says “Instruction Sheet A” to your partner.
5. Note: You can also explain the drawing in your own words in addition to the instruction on the sheet of paper.
6. See how well your partner did.
7. Now it’s your partner’s turn to read “Instruction Sheet B”.
8. And you are the artist.
9. Your partner has to read the instructions on his/her paper to you – adding their own instructions if they like.
10. Now see how well you did.
11. To see what your drawings should look at – see the separate PDF documents entitled “Solution to Instruction Sheet A.pdf” and “Solution to Instruction Sheet B.pdf.”

INSTRUCTION SHEET A

First Drawing Assignment:

1. First draw a horizontal line about 3 inches from the bottom across the page
2. Next write a big capital B on the horizontal line.
3. Draw a small circle inside the top half of the B
4. Draw another circle outside the top half of the B close to where it curves in to make the bottom half of the B
5. Next draw an eye shape on top of the B and let part of the lines of the eye shape go off the page.
6. Draw another eye shape just under the first eye at an angle from the first eye (still on top of the "B")
7. Draw a right angle on the top left hand corner of the bottom part of the B.
8. Connect the bottom part of the right angle to the left edge of the bottom half of the B with a curved line.
9. Draw a curved line on the top part of the B coming up to meet the small circle but not touching the circle.
10. Draw a letter "L" on the right side of the lower part of the B touching the right edge.
11. Draw two small arcs touching the horizontal line, one inside the bottom part of the B and the other just outside.
12. Draw curvy lines looking like a fluffy cloud outside the left side of the B touching the line.
13. What do you have?

INSTRUCTION SHEET B

Second Drawing Assignment:

1. Draw a circle
2. Draw another circle just under the 1st circle making it look like the number 8
3. Draw a very small circle in the middle of the 8 where the two circles join.
4. Draw two more circles one on each side of the 8 touching the 8 (bigger than the circle you just drew but a little bit smaller than the circles that make the 8.
5. Draw 2 tiny circles side by side just above the other small circle inside the top circle slightly above the small circle.
6. Draw a McDonalds "M" just above those two small circles.
7. Draw one full arch inside each of the top part of the circles on the sides of the 8
8. Draw a smile inside the bottom circle of the 8.
9. Draw zig zag lines all along the edge of your drawing.
10. What do you have?
